LET US QUOTE YOUR NEXT PROJECT

Our simple process allows for streamlined planning and execution, ensuring efficiency from start to finish.

1 Request your quote by emailing quotes@johnboos.com

2 A dedicated project manager will be assigned to you and our estimators will provide a quote.

3 Submit a purchase order and our team of engineers will create drawings for your project.

4 Once drawings are reviewed and approved, we manufacture and ship.

For a custom quote, reach out to:

quotes@johnboos.com | (217) 347-7701

UL LISTED CUSTOM BUILT FOODSERVICE EQUIPMENT

John Boos & Co. is UL Listed for Custom Built Foodservice Equipment in the U.S. and Canada. We design and fabricate equipment with food safety in mind, ensuring rigorous testing and inspections for UL certification.

Our UL Listed Chef's Counter highlights this certification. These counters are customizable in size and shape, with easy assembly and disassembly for any job site. We provide 3D CAD drawings for approval and allow customers to choose UL Listed equipment for installation. (Note: Customer-supplied equipment must be UL Listed.)

Counters are available in single or three-phase electrical service and include a 1-year manufacturer warranty.

- UL Listed Custom Fabrication
- Single & Three Phase Electrical Service Available
- Limitless Sizes And Configurations Available
- Installation Of Customer Supplied Equipment Included
- 3-D Drawings Included For Customer Approvals
- 14GA Stainless Steel Top (Gauge Preference Available)
- 16GA Stainless Steel Double Overshelf (Gauge Preference Available)
- 18GA Stainless Steel Cabinet Base (Gauge Preference Available)
- 100 Amp Single Phase Service Panel
- 240 Volt NEMA6-20P GFI Outlet
- 120 Volt GFI Outlet
- Custom Heated Cabinet

HOW TO CARE FOR YOUR BOOS BLOCK®

Proper care and maintenance will keep your wood surfaces beautiful for a lifetime. The application of Boos Block® Mystery Oil is recommended at least once a month. The more often it is cleaned, the more often it should be oiled. A dry appearance is a sure sign it is time to oil your wood surface. Thoroughly coat the surface and allow the oil to penetrate overnight. Wipe off any excess oil in the morning.

As wood products will naturally acclimate to their environment, regular application of Boos Block® Mystery Oil will help protect your wood surfaces from changes in humidity due to weather. You should pay careful attention during the changing of the seasons as humidity levels can change rapidly.

For additional protection, Boos Block® Board Cream should be applied as a secondary moisture barrier in between oil applications. Simply apply and even coat and wipe off the excess for maximum protection.

Adjustable Undershelf Or Bracing Is Available For Knock Down (KD) Models. Fixed Undershelf Or Bracing Is Available For Welded Models.

FEET:
All Models Standard 1" Adjustable Bullet Feet

NORTHERN HARD ROCK MAPLE

Northern Hard Rock Maple is the strongest and most dense of all species of maple. Used primarily for furniture and flooring, Northern Hard Rock Maple makes a great, affordable work table top.

Blended wood surfaces offer harmonious character & provides naturally defined individuality. Blended tops consist of full length exterior rails and random finger-jointed interior rails. The rails in a blended top feature different parts of a tree, (a blend of heartwood & sapwood) hence the color variations. Natural mineral streaks and unique wood grain patterns also add to its unique appeal.

STAINLESS STEEL VS. GALVANIZED

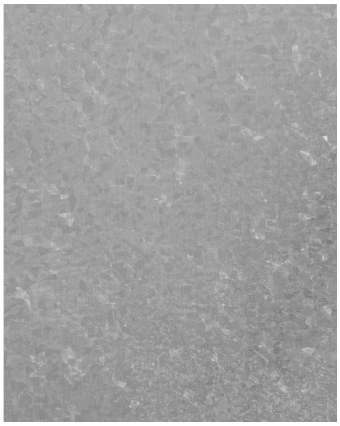
John Boos offers work tables with either a stainless steel base or a galvanized base, catering to different needs.

The stainless steel base provides exceptional durability and corrosion resistance, making it ideal for environments where hygiene is crucial, such as commercial kitchens. Its sleek and modern appearance contributes to a professional setting.

On the other hand, tables with a galvanized base feature steel coated with zinc, offering good corrosion resistance at a more budget-friendly cost. While not as resistant as stainless steel, galvanized bases are suitable for various applications, including industrial settings.

The choice between the two depends on factors such as the level of corrosion resistance required, aesthetic preferences and budget considerations.

STAINLESS STEEL



GALVANIZED

STAINLESS STEEL WORK TABLE BUYERS GUIDE

STAINLESS STEEL VS. GALVANIZED

John Boos offers work tables with either a stainless steel base or a galvanized base, catering to different needs.

The stainless steel base provides exceptional durability and corrosion resistance, making it ideal for environments where hygiene is crucial, such as commercial kitchens. Its sleek and modern appearance contributes to a professional setting.

On the other hand, tables with a galvanized base feature steel coated with zinc, offering good corrosion resistance at a more budget-friendly cost. While not as resistant as stainless steel, galvanized bases are suitable for various applications, including industrial settings.

The choice between the two depends on factors such as the level of corrosion resistance required, aesthetic preferences and budget considerations.

STAINLESS STEEL GALVANIZED

STAINLESS STEEL WORK TABLE BUYERS GUIDE

PRODUCT SPECIFICATIONS

TOP OPTIONS:
14GA Heavy Duty Or 16GA Medium Duty Tops. Type 300 Stainless Steel With #4 Polish In A Satin Finish. Tops Are TIG Welded, Exposed Welds Are Polished To Match Adjacent Surface. 1-1/2" Stallion Edge Standard On All Models.

TOP RISER OPTIONS:
Flat Top, 1-1/2" Back Riser, or 5" Back Riser Options

LEGS & GUSSETS:
1-5/8" O.D. 16GA Stainless Steel or Galvanized Legs, Gussets Match Leg Material Choice

SHELF / BRACING OPTIONS:
Adjustable Undershelf Or Bracing Is Available For Knock Down (KD) Models (KD Model Numbers End In SSK For Shelves And SBK For Bracing). Fixed Undershelf Or Bracing Is Available For Welded Models (Welded Model Numbers End In SSW For Shelves And SBW For Bracing).

FEET:
All Models Standard 1" Adjustable Bullet Feet

MODEL # STRUCTURE EXAMPLE

THE STALLION EDGE

The 1-1/2" Stallion Edge on both front and rear sides are designed to: provide comfort to your hands when moving the table around, prevent harboring of bacteria, safety when reaching for something stored underneath and for table line-up.

KNOCK DOWN (KD) VS. WELDED SETUP

John Boos knocked down (KD) stainless steel work tables are shipped disassembled, requiring assembly upon delivery. They offer flexibility for transportation and assembly on-site, potentially reducing shipping costs. However, their sturdiness may be slightly less compared to fully welded tables and proper assembly is crucial for stability.

Welded setup tables come fully assembled, providing greater rigidity and ease of maintenance with fewer joints. While they may incur higher shipping costs due to their one-piece structure, they offer convenience and durability. The choice between KD and welded setup depends on factors such as shipping considerations, assembly preferences and the desired level of sturdiness for the intended use.

KNOCK DOWN (KD) | WELDED SETUP

TABLE MOUNT OVERSHELVES

STANDARD STAINLESS STEEL TABLE MOUNT OVERSHELVES

- Single or Double Stainless Steel Shelf With Riser or Flat Top
- 16GA, Type 300 Stainless Steel w/#4 Polish, Satin Finish
- Flat Top Models Have A Stallion Edge At Both The Front And Back, Whereas Riser Top Models Only Have A Stallion Edge At The Front
- Uprights are 1" O.D. Round 18GA Tubing, Type 300 Stainless Steel w/#4 Polish, Satin Finish
- Rear or Center Mount (Please Specify)
- Single Overshelves are Mounted 18" Above Table Top
- Double Overshelves are Mounted 12" Above First Shelf
- Shipped Knocked Down
- All Models Are NSF Approved

LET US QUOTE YOUR NEXT PROJECT

Our simple process allows for streamlined planning and execution, ensuring efficiency from start to finish.

1. Request your quote by emailing quotes@johnboos.com
2. A dedicated project manager will be assigned to you and our estimators will provide a quote.
3. Submit a purchase order and our team of engineers will create drawings for your project.
4. Once drawings are reviewed and approved, we manufacture and ship.

For a custom quote, reach out to:

quotes@johnboos.com | (217) 347-7701

PRO-BOWL COMPARTMENT SINK BUYERS GUIDE

PRODUCT SPECIFICATIONS

BOWLS:
16GA or 14GA, Type 300 stainless steel. Fabricated with all welds ground and polished into a one piece sanitary bowl. All corners, both vertical and horizontal, coved at 3/4" radius to meet NSF Standards. Bottoms formed for drainage and include a 3-1/2" diameter die stamped opening.

SINK DECKS:
Standard 16GA, Type 300 stainless steel (14GA is optional). Boxed backsplash is 10" high with 2" return to wall at 45 degree and down 1". Front and ends have a 1-5/8", 180 degree rolled edge. All corners are coved 1/4" radius, welded, ground and polished into a sanitary single piece.

LEGS:
Standard 1-5/8" diameter stainless steel tube. Legs attach to sink with sanitary NSF Listed gussets, each with 2 set screws to lock leg in place. 1-1/4" diameter tubular bracing on 3 sides is adjustable to assure no interference with plumbing. Adjustable stainless steel bullet feet for leveling.

BEFORE ORDERING:
- 16GA or 14GA Available
- Your Choice Between 12" or 14" Deep Bowls
- Bowls 24" Or Longer Have 2 Sets of Faucet Holes
- 36" Drainboards Standard With Additional Leg Support

MODEL # STRUCTURE EXAMPLE

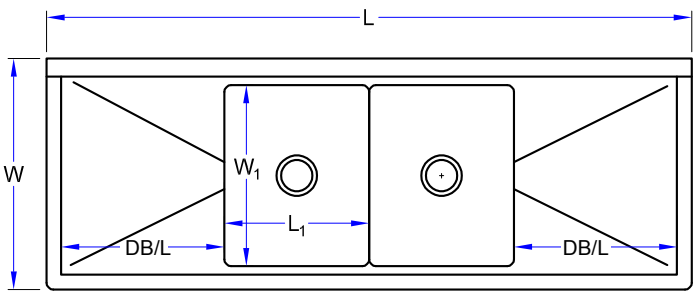
DIMENSION EXPLANATION:



L = Overall Length W = Overall Width DB/L = Drainboard Length
L¹ = Bowl Length W¹ = Bowl Width

ALL JOHN BOOS & CO. PRO-BOWL SINKS ARE BUILT TO COMPLY WITH NSF STD. 2 REQUIREMENTS. ADDITIONAL OPTIONS AND CUSTOM FABRICATIONS ARE AVAILABLE. CONTACT FACTORY FOR QUOTATION. ALL CUSTOM SINK ORDERS RECEIVE DETAILED ENGINEERING DRAWINGS FOR CUSTOMER APPROVAL PRIOR TO MANUFACTURE. JOHN BOOS & CO. USES ONLY TYPE 300 STAINLESS STEEL IN 16GA OR 14GA IN SINK CONSTRUCTION.

PLATTER SINKS - TWO BOWL

- 16GA Standard. 14GA Available (ADD "4" In Front of Model #)

EYE WASH DISCLAIMER
IMPORTANT: FAUCET-MOUNTED EYEWASH REQUIRES TWO MOTIONS TO OPERATE (TURN ON WATER, PULL KNOB TO ACTIVATE EYEWASH FLOW). THEREFORE, JOHN BOOS DOES NOT BELIEVE THAT THESE UNITS MEET THE PROVISIONS OF ANSI Z358.1-2014 AS EYEWASH UNITS. THESE UNITS ARE INTENDED SOLELY AS SUPPLEMENTAL UNITS IN ADDITION TO DEDICATED, PLUMBED EYEWASH EQUIPMENT INSTALLED IN THE WORKPLACE. FAUCET-MOUNTED EYEWASHES SHOULD BE USED WITH COLD OR WARM WATER ONLY. USE OF HOT WATER MIGHT CAUSE SCALDING. EYEWASH ATTACHMENT NOT TO BE USED WITH ELECTRONIC FAUCETS.

BUYING INFORMATION

ALWAYS ORDER BY MODEL NUMBER, SIZE, WOOD SPECIES, FINISH AND OPTIONAL EDGE, IF REQUESTED.

All Tops Are Available Unfinished For Finish Application In The Field. Use Same Model & Price As Shown, Adding A "U" To The End Of The Model Number. NOTE: Unfinished Top Voids Factory Warranty. Tops That Are 42" Wide And Under Are 1-1/2" Thick. Tops Over 42" Wide Arer 1-3/4" Thick.

FINISH: All tops are finished with a semi-gloss polyurethane finish to insure easy care and a long service life.

ASSEMBLY: Butcher Block Tops are pre-drilled for respective base when ordered together. Custom drilling per template is available at additional $10.00 list per top.

RAIL STYLES

ULTRA PREMIUM EDGE GRAIN

Built on a history of over 130 years of American craftsmanship, Boos® butcher block surfaces fill your kitchen with timeless tradition in countertop appearance while maintaining a natural food safe element for food preparation. Ultra premium countertops are manufactured with full length continuous rails from our choice selections of American hardwoods.

BLENDED EDGE GRAIN

Boos® Blended kitchen countertop surfaces offer harmonious character & provides naturally defined individuality. Blended tops consist of full length exterior rails and random finger-jointed interior rails. Crafted of North American hardwoods, the rails in a blended top feature different parts of a tree, (a blend of heartwood & sapwood) hence the color variations. Natural mineral streaks and unique wood grain patterns also add to its unique appeal.

STANDARD SPECIES

NORTHERN HARD ROCK MAPLE

Northern Hard Rock Maple is the strongest and most dense of all species of maple. Used primarily for furniture and flooring, Northern Hard Rock Maple makes a great, affordable restaurant dining top.

AMERICAN BLACK WALNUT

Prized for its dark tones and tough structure, American Black Walnut is a sought after surface for dining tops. The white sapwood intertwined with the chocolate/light brown heartwood gives this species a beautiful contrast.

AMERICAN CHERRY

The highly sought after American Cherry has unique grain patterns and a reddish brown color. Used in high end furniture and cabinetry worldwide, American Cherry makes for a beautiful kitchen surface.

TERMS & CONDITIONS

SUBMITTAL OF A PURCHASE ORDER INDICATES YOUR AGREEMENT TO OUR TERMS AND CONDITIONS LISTED BELOW
ALL PRICES ARE LIST - F.O.B FACTORY - ALL PRICES SUBJECT TO CHANGE WITHOUT NOTICE

OPENING AN ACCOUNT

All new accounts will be set up on a cash-in-advance basis until such time that the Credit Dept. has been able to establish open account terms. Minimum opening order to establish a new account is $500.00 net. No account will be permitted open account status unless they can be opened for at least a $1,000.00 credit limit. Payment terms are Net 30 Days.

ORDERING

Once an account has been established, subsequent minimum order is $100.00 net. A charge of $25.00 or the amount necessary to reach $100.00 (whichever is less), will be added to the invoice.

MAP PRICING AGREEMENT

Dealer Online Representation: Pre-authorized web based representation of the John Boos & Co. product line must adhere to written contractual agreement and minimum advertised pricing (MAP). MAP PRICING = LIST PRICE.

F.O.B FACTORY

All John Boos products are shipped F.O.B. Effingham, IL 62401. Whenever possible, orders may be consolidated for freight savings by contacting the factory or your representative.

CAUTION: FREIGHT CLAIMS

Before accepting any shipment, examine it carefully and note any damage or shortage on the Freight Bill before signing for delivery. All claims for shortage or damage must be filed with the carrier. Title passes from John Boos & Co. to the purchaser at point of origin of shipment. If, after receipt of shipment, concealed damage is discovered, immediately notify the delivering carrier requesting immediate inspection. The inspection report should be used to support your claims against the carrier. John Boos will not file claims with 3rd party carriers.

RETURN SHIPMENTS

We will not accept any returned merchandise unless written authorization has been issued. Any claims for defective materials or workmanship should be mailed to the factory.

UNUSED merchandise in A-1 condition - there is a 25% or greater restocking charge for AUTHORIZED returns. John Boos reserves the right to deny returned merchandise.

CONFIRMATIONS & ACKNOWLEDGMENTS

We request that all orders be faxed or emailed to John Boos & Co.,
Fax 800-433-2667, Email purchaseorders@johnboos.com.

We acknowledge all orders in writing and this acknowledgment constitutes our agreement, as the company will not be held responsible for errors due to misunderstandings on verbal orders or verbal agreements with our Sales Representatives.

CANCELLATION POLICY

Any special orders that have been entered into production cannot be canceled without paying all costs incurred by our company in the preparation of special plans, materials purchased or produced. No changes can be made once a "special order" has been entered into production. Any costs incurred therein will be the responsibility of the customer. Purchase orders may be changed up to 14 days before the scheduled shipping date without penalty, if production has not commenced.

Absolutely no order changes or cancellations will be accepted within 14 days of the originally scheduled ship date.

DROP SHIPPING

John Boos & Co. will drop ship to the contiguous 48 states (PO BOX not accepted), as well as a residential address (Residential drop ship fee of $10.00 applies). Freight charges may be prepaid and added to your invoice if specified on shipments for locations other than the billing address. NOTE: For residential delivery, liftgate service, notification of delivery and other special requirements, additional charges may apply.

WARRANTY

The only warranty, expressed or implied, is a 1-year guarantee against defect in workmanship and material.

This warranty does not apply to damages which may result from neglect, accidental or intentional damage, damage or wear to any swivel mechanism, normal wear and tear, misuse of product, unauthorized repair, exposure to extremes in temperature and humidity and alteration or abuse of the product. Wood products ordered 'unfinished' do not come with a warranty.

Repairs or replacement under this limited warranty will be made through an authorized John Boos & Co. distributor, if possible, the same dealer/distributor from which the product was purchased. Should the dealer or factory representative find return of the product to the factory necessary, all packing and shipping costs will be the responsibility of the customer. If a dealer/distributor is not available, contact the Customer Service Department at John Boos & Co., 3601 S BANKER ST, Effingham, IL 62401, Ph (888) 431-2667 for the name and location of the nearest authorized distributor.

Factory obligation under this warranty, is limited, at the option of John Boos & Co. to repair or replace the product (or one of equal type and quality if the product is no longer available), within 90 days after receipt of written recommendation from the dealer, provided none of the above exceptions are evident.

John Boos & Co. shall not be liable for any loss or damage arising from use, or for consequential damages. This warranty gives certain legal rights and there may be other rights that vary from state to state.
